Background: San José City Councilmember Linda J. LeZotte invites the community to attend the Fifth Annual Festival in the Park. Each year this free event is held to bring the community together as an opportunity for District 1 residents to meet their neighbors and enjoy family fun. Festival in the Park draws neighborhood crowds each year with live entertainment, resource fair, children's activities and food. Live entertainment this year will be provided by the Saratoga Taiko, Mark Wilson Band, Kafé Mundo and the Lynbrook High School Marching Band. Participants will include the: Association of Retired Firefighters and Police Officers, San José Police Department, San José Fire Department, San José Earthquakes, San José Library, Environmental Services and many other community resources. The children's area will feature games, crafts, jumpers and free fingerprinting services sponsored by Crime Prevention. Councilmember LeZotte encourages the community to join us in "Building 1 Community" and to celebrate with us this year at Festival in the Park.
